

Sanitary Sewer Rates

Service Rate

| | |
|--|-----------------------------|
| First 1,000 gallons or less of metered water | \$3.50 per thousand gallons |
| Over 1,000 gallons of metered water | \$1.80 per thousand gallons |

Minimum Billing

The minimum bill for any billing period shall be \$3.50, and shall apply to any period in which the water service is billed.

Available to any metered customer within the city limits and adjacent to BMU's sanitary sewer distribution mains, requiring standard sewer service.

The above rates are excerpts from BMU's rate schedule. For details on any rate, please contact the BMU office.
